

Credo Update

In pursuing our strategy to bring creative thinking to teacher training universities, we will continue our collaboration with Universitas Negara Jakarta, and initiate several training and research projects with Universitas Pendidikan Indonesia both at the student teacher level and faculty level in the coming six months.

Since November 2008, Credo has:

A. Teaching and Training

1. Completed the design and teaching of an accredited teacher training undergraduate course on creativity at **Universitas Negara Jakarta**.
2. Continued a **year long program** with a group of **21 teachers** in Teaching for Creativity. 6 teachers involved in this program receive school visits and support from our team of trainers.
3. Started collaboration with teachers from the **Urban Poor Consortium** in Self-Sufficiency in Teaching Resources and Materials for Urban Poor Schools Project.
4. Trained teachers and parents in open creativity workshops.
5. Collaborated with **UPLINK** (Urban Poor Link) in teacher training. Teachers from various cities were trained to utilize limited available resources as teaching materials.
6. Trained parents in Positive Discipline by invitation of a collaborating school in the Tangerang area.
7. Completed the delivery of a 42 hour Teaching for Creativity training program for middle and high school teachers in collaboration with **KLUB GURU**, a national teachers' professional association.
8. Trained **Bank Mandiri's** employees in "Creative Thinking Basics" training.
9. Trained teachers in collaboration with **N.E.T.T Academy**, a teachers training institute.

B. Research

10. Continued a **research project** on teacher creativity, teachers' perception of creativity and their readiness to teach creativity at **Universitas Negara Jakarta (Pendidikan Anak Usia Dini)**.

How you can help Credo achieve its mission

Project Ownership

Take ownership of a particular project. We'll be happy to discuss with you the format of funding and ownership, and whether or how you might wish to be personally involved.

General Monetary Contribution

Alternatively, you may prefer to consider a general monetary contribution to Credo without taking ownership of a particular project.

Financial Update

Credo spent **Rupiah 460 million** for the year 2008. This figure excludes the salary of the Director and Master Trainer of Credo whose time is currently donated. Small amounts of **revenue have been earned** by way of selling training and we continue to sell training as a means of generating income. Credo's financial accounts can be made available for further information.
